## **Roger Kyle Memorial 10M Trail Run/5K Walk (Half Mile Children's Fun Run) Course Description**

The 10M Trail Run is a hilly, challenging course with expanses of fast runs in addition to runs on narrow paths. Run will initiate and conclude at the lake with brief stretches of paved road; please no spikes; water stops will be provided every two to three miles approximately; bringing your own water source may be advisable. The course will provide numerous panoramic views of the park and surrounding area.

The 5K Trail Walk is unlike any other 5K walk you will experience. Come walk with us as participants will enjoy nature first hand on trails that wind through the park providing picturesque views of the park seldom seen by the public. The walk will initiate and conclude at the lake and it does include some hills.

The Children's fun run consists of one lap around the lake.
